TIPS FOR ONLINE LEARNING:

1. Create a specific work space for learning.
2. Make a schedule and stick to it.
3. Shower and get dressed.
4. Check Google Classroom and your email regularly.
5. Actively participate in assignments.
6. Eliminate distractions.
7. Take breaks and move.
8. Check that work is done.
9. Avoid procrastinating; get work done right away.
10. Reach out to teachers for help.
